

Rooted: A Study in Colossians

Deeper Life Bible Church - Knoxville

Week 1 - Christ Above All (Colossians 1:15-23)

Read the passage aloud, slowly, twice.

1. What does this passage say is true about Christ?
2. Where does it place Him in relation to creation?
3. What is promised to those reconciled to Him?
4. What would change this week if verse 18 were true of your ordinary Monday?

For the group

Share one place you are tempted to give something other than Christ first place. Pray for each other.
